FISHING FOR THE BEST!

Hanningfield Waterside Park, set within a picturesque part of Essex, is regarded by many as the best any method premier still water trout fishery in the UK. It is one fishery you do not want to miss out on!

This season we will be stocking a minimum of 50,000 high quality rainbow trout, along with 1,000 home reared specimens that will include fish weighing 10lbs and up. With the options of fishing off the top of the dam, from the natural bank or from one of our 35 Coulam motor boats, every time you fish you can experience something different.

Bring along the family who can enjoy, walking, watching the amazing wildlife or having a relaxing picnic or delicious meal at our Café on the Water, there is something for everyone.

There is also easy access by road to Essex Wildlife Trust nature reserve or you can enjoy stunning shoreline and woodland walks that link up to the trust's visitor centre. For more information visit www.essexwt.org.uk.
