Introduction

Northumbrian Water Limited (NWL)

Primary wholesale charges for 2018/19

In November 2016 Ofwat published its Wholesale Charging rules under section 66E and 117I of the Water Industry Act 1991. The charges contained in this document represent the primary wholesale charges we have set for 2018/19 and we have used the standard Ofwat template for consistency. These charges are also published in our Wholesale Tariff Document which can be found on our website.

NWL supplies water in the Northumbrian Water (NW) region and in parts of Essex and Suffolk, which are known as Essex & Suffolk Water (ESW)

Prices in the Northumbrian Water (NW) and Essex & Suffolk Water (ESW) regions are different and are shown on separate tabs. The structure of water tariffs in the two regions are the same.

NWL supplies sewerage services in the Northumbrian Water region only
