

NORTHUMBRIAN WATER LIMITED

STATEMENT OF SIGNIFICANT CHANGES TO PRIMARY WHOLESAL CHARGES 2019/20

In accordance with the Wholesale Charging Rules issued by the Water Services Regulation Authority under sections 66E and 117I of the Water Industry Act 1991 published in March 2018, this notice is to update stakeholders on the scope of any proposed significant changes to our primary Wholesale Charges for 2019/20.

Wholesale Charges, as defined by Ofwat in the Wholesale Charging Rules, relate to the charges water and sewerage undertakers can impose on retailers for wholesale water and wastewater services.

Northumbrian Water Limited is continuing to review the structure of our Focus and Large User tariffs in line with our knowledge and experience of the non-household retail market. This review may or may not result in changes to Focus and Large User Tariffs and how they will be applied.

Additionally we are looking into the potential and options to charge for non-household vacant premises.
