Main Size		Length of main	
Main Size		Length of main	
Main Size		Length of main	
Main Size		Length of main	

I confirm that the trench has been dug as shown on the plan number above and we require this section of main to be laid.

I confirm a supply of sand or suitable fine backfill (no pea shingle or aggregates) will be available to enable your personnel to complete the building of all pits, cover and frames relating to this section of main laying. I understand that I will be contacted by the Main Laying team to organise a date for works to commence within 4 to 6 weeks. Any deviation from works requested may incur additional costs.

Print Name:	Signature:
Date:	

Once the main has been laid Essex & Suffolk Water will be required to take samples and these must pass before services can be requested for inspection / connection.
